ACT I

Scene 1: Wildest Dreams

Prologue

The world is as big as you make it
Never be shameful to fly
When a chance comes, you should take it
May you never be scared of goodbye

Ready for it/Bejeweled

In the middle of the night, in my dreams
You should see the things we do, baby
In the middle of the night in my dreams
I know I'm gonna be with you, so I take my time
Are you ready for it?
Oh, are you ready for it?

What's a girl gonna do?
A diamond's gotta shine
Best believe I'm still bejeweled
When I walk in the room
I can still make the whole place shimmer
And when I meet the band
They ask, "Do you have a man?"
I could still say, "I don't remember"

Familiarity breeds contempt
Don't put me in the basement
When I want the penthouse of your heart
Diamonds in my eyes
I polish up real
I polish up real
Best believe I'm still bejeweled
When I walk in the room
I can still make the whole place shimmer

Knew he was a killer first time that I saw him
Wondered how many girls he had loved and left haunted
But if he's a ghost, then I can be a phantom
Holdin' him for ransom, some
Some boys are tryin' too hard, he don't try at all though
Younger than my exes, but he act like such a man, so
I see nothing better, I keep him forever
Like a vendetta-ta

I, I, I see how this is gon' go
Touch me and you'll never be alone
I-Island breeze and lights down low
No one has to know

In the middle of the night, in my dreams
You should see the things we do, baby
In the middle of the night, in my dreams
I know I'm gonna be with you, so I take my time
Are you ready for it?

Baby, let the games begin
Let the games begin
Let the games begin
Baby, let the games begin
Let the games begin
Let the games begin
I, I, I see how this is gon' go
Touch me and you'll never be alone

I-Island breeze and lights down low
No one has to know

Best believe I'm still bejeweled
When I walk in the room
I can still make the whole place
shimmer
And when I meet the band
They ask, "Do you have a man?"
I could still say, "I don't remember"

In the middle of the night, in my dreams

You should see the things we do, baby

In the middle of the night, in my dreams

Familiarity breeds contempt
Don't put me in the basement
When I want the penthouse of your
heart
Diamonds in my eyes
I polish up real
I polish up real

(Baby, let the games begin)

I know I'm gonna be with you, so I take
my time

(Baby let the games begin)

Best believe I'm still bejeweled
When I walk in the room
I can still make the whole place shimmer (shimmer)

Enchanted

This night is sparkling, don't you let it go
I'm wonderstruck, blushing all the way home
I'll spend forever wondering if you knew
I was enchanted to meet you
I was enchanted to meet you

Love Story

We were both young when I first saw you

I close my eyes and the flashback starts:
I'm standing there
On a balcony in summer air

See the lights, see the party, the ball gowns
See you make your way through the crowd
And say, "Hello."
Little did I know

That you were Romeo, you were throwing pebbles
And my daddy said, "Stay away from Juliet."
And I was crying on the staircase
Begging you, "Please don't go."
And I said

"Romeo, take me somewhere we can be alone
I'll be waiting. All there's left to do is run
You'll be the prince and I'll be the princess
It's a love story. Baby, just say 'Yes'."

So, I sneak out to the garden to see you
We keep quiet 'cause we're dead if they knew
So, close your eyes
Escape this town for a little while
Oh, oh

'Cause you were Romeo. I was a scarlet letter
And my daddy said, "Stay away from Juliet."
But you were everything to me
I was begging you, "Please don't go!"
And I said

"Romeo, take me somewhere we can be alone
I'll be waiting. All there's left to do is run
You'll be the prince and I'll be the princess
It's a love story. Baby, just say 'Yes'

Romeo, save me. They're tryna tell me how to feel

This love is difficult but it's real
Don't be afraid. We'll make it out of this mess
It's a love story. Baby, just say 'Yes'."

Oh, oh, oh

But I got tired of waiting
Wondering if you were ever coming around
My faith in you was fading
When I met you on the outskirts of town
And I said

"Romeo, save me. I've been feeling so alone
I keep waiting for you, but you never come
Is this in my head? I don't know what to think."
He knelt to the ground and pulled out a ring and said

"Marry me, Juliet. You'll never have to be alone
I love you, and that's all I really know
I talked to your dad. Go pick out a white dress
It's a love story. Baby, just say 'Yes'."

Oh, oh, oh, oh, oh, oh

'Cause we were both young when I first saw you

Wildest Dreams

He said, "Let's get out of this town
Drive out of this city, away from the crowds"
I thought, "Heaven can't help me now"
Nothing lasts forever
But this is gonna take me down

He's so tall and handsome as hell
He's so bad, but he does it so well
I can see the end as it begins

My one condition is

Say you'll remember me
Standin' in a nice dress
Starin' at the sunset, babe
Red lips and rosy cheeks
Say you'll see me again
Even if it's just in your
Wildest dreams, ah, ha
Wildest dreams, ah, ha

I said, "No one has to know what we do"
His hands are in my hair, his clothes are in my room
And his voice is a familiar sound
Nothin' lasts forever
But this is gettin' good now

He's so tall and handsome as hell
He's so bad, but he does it so well
And when we've had our very last kiss
My last request is

Say you'll remember me
Standin' in a nice dress
Starin' at the sunset, babe
Red lips and rosy cheeks
Say you'll see me again
Even if it's just in your
Wildest dreams, ah, ha (Ha, ha)
Wildest dreams, ah, ha

You'll see me in hindsight
Tangled up with you all night
Burnin' it down
Someday, when you leave me
I bet these memories
Follow you around
You'll see me in hindsight

Tangled up with you all night
Burnin' (Burnin') it (It) down (Down)
Someday, when you leave me
I bet these memories
Follow (Follow) you (You) around
(Follow you around)

Say you'll remember me
Standing in a nice dress
Starin' at the sunset, babe
Red lips and rosy cheeks
Say you'll see me again
Even if it's just pretend

The Prophecy

Hand on the throttle
Thought I caught lightning in a bottle
Oh, but it's gone again
And it was written
I got cursed like Eve got bitten
Oh, was it punishment?
Pad around when I get home
I guess a lesser woman would've lost hope
A greater woman wouldn't beg
But I looked to the sky and said

Please
I've been on my knees
Change the prophecy
Don't want money
Just someone who wants my company
Let it once be me
Who do I have to speak to
About if they can redo
The prophecy?

Cards on the table
Mine play out like fools in a fable, oh
It was sinking in
Sinking in, oh
Slow is the quicksand
Poison blood from the wound of the pricked hand
Oh, still I dream of him

And I sound like an infant
Feelin' like the very last drops of an ink pen
A greater woman stays cool
But I howl like a wolf at the moon
And I look unstable
Gathered with a coven round a sorceress' table
A greater woman has faith
But even statues crumble if they're made to wait

I'm so afraid I sealed my fate
No sign of soulmates
I'm just a paperweight
In shades of greige
Spending my last coin so someone will tell me
It'll be ok

Please	
I've been on my knees	
Change the prophecy	
Don't want money	
Just someone who wants my company	Pad around when I get home
Let it once be me	I guess a lesser woman would've lost
Who do I have to speak to	hope
About if they can redo	A greater woman wouldn't beg
The prophecy?	But I looked to the sky and said

The Fate of Ophelia

I heard you calling on the megaphone
You wanna see me all alone
As legend has it, you
Are quite the pyro
You light the match to watch it blow
And if you'd never come for me
I might've drowned in the melancholy
I swore my loyalty to me, myself, and I (Me, myself, I)
Right before you lit my sky up

All that time, I sat alone in my tower
You were just honing your powers
Now I can see it all (See it all)
Late one night, you dug me out of my grave and
Saved my heart from the fate of
Ophelia (Ophelia)
Keep it one hundred

On the land, the sea, the sky (Land, sea)
Pledge allegiance to your hands
Your team, your vibes
Don't care where the hell you been (Been)
'Cause now, you're mine (Now)
It's 'bout to be the sleepless night
You've been dreaming of
The fate of Ophelia

The eldest daughter of a nobleman
Ophelia lived in fantasy
But love was a cold bed full of scorpions
The venom stole her sanity
And if you'd never come for me (Come for me)
I might've lingered in purgatory
You wrap around me like a chain, a crown, a vine (Chain, crown, vine)
Pulling me into the fire

All that time, I sat alone in my tower
You were just honing your powers
Now I can see it all (See it all)
Late one night, you dug me out of my grave and
Saved my heart from the fate of
Ophelia (Ophelia)
Keep it one hundred
On the land, the sea, the sky (Land, sea)
Pledge allegiance to your hands
Your team, your vibes
Don't care where the hell you been (Been)
'Cause now, you're mine (Now)
It's 'bout to be the sleepless night
You've been dreaming of
The fate of Ophelia

You saved my heart from the fate of
Ophelia

Scene 2: Fearless

Miss Americana and The Heartbreak Prince

My team is losing, battered and bruising
I see the high fives between the bad guys
Leave with my head hung, you are the only one
Who seems to care
American stories burning before me
I'm feeling helpless, the damsels are depressed
Boys will be boys then, where are the wise men?
Darling, I'm scared (Ah)

No cameras catch my pageant smile
I counted days, I counted miles
To see you there, to see you there
It's been a long time coming, but

It's you and me, that's my whole world
They whisper in the hallway, "She's a bad, bad girl" (Okay)
The whole school is rolling fake dice
You play stupid games, you win stupid prizes
It's you and me, there's nothing like this
Miss Americana and The Heartbreak Prince (Okay)
We're so sad, we paint the town blue
Voted most likely to run away with you

And I don't want you to (Go), I don't really wanna (Fight)
'Cause nobody's gonna (Win), I think you should come home
And I don't want you to (Go), I don't really wanna (Fight)
'Cause nobody's gonna (Win), I think you should come home
And I don't want you to (Go), I don't really wanna (Fight)
'Cause nobody's gonna (Win), I just thought you should know
And I'll never let you (Go) 'cause I know this is a (Fight)
That someday we're gonna (Win)

It's you and me, that's my whole world
They whisper in the hallway, "She's a bad, bad girl"
It's you and me, that's my whole world

They whisper in the hallway, "She's a bad, bad girl" (Okay)
The whole school is rolling fake dice
You play stupid games, you win stupid prizes
It's you and me, there's nothing like this
Miss Americana and The Heartbreak Prince (Okay)
We're so sad, we paint the town blue
Voted most likely to run away with you

But Daddy I Love Him

I forget how the West was won
I forget if this was ever fun
I just learned these people only raise you to cage you
Sarahs and Hannahs in their Sunday best
Clutching their pearls, sighing, "What a mess"
I just learned these people try and save you
'Cause they hate you

Too high a horse
For a simple girl to rise above it
They slammed the door on my whole world
The one thing I wanted

Now I'm running with my dress unbuttoned
Screaming, "But Daddy, I love him!
I'm having his baby"
No, I'm not, but you should see your faces
I'm telling him to floor it through the fences
No, I'm not coming to my senses
I know he's crazy but he's the one I want

Dutiful daughter, all my plans were laid
Tendrils tucked into a woven braid
Growing up precocious sometimes means not growing up at all
He was chaos, he was revelry
Bedroom eyes like a remedy
Soon enough the elders had convened

Down at the city hall

"Stay away from her"

The saboteurs protested too much
Lord knows the words we never heard
Just screeching tires and true love

And I'm running with my dress unbuttoned
Screaming, "But Daddy, I love him!
I'm having his baby"
No, I'm not, but you should see your faces
I'm telling him to floor it through the fences
No, I'm not coming to my senses
I know he's crazy but he's the one I want

I'll tell you something right now
I'd rather burn my whole life down
Than listen to one more second of all this bitching and moaning
I'll tell you something about my good name
It's mine alone to disgrace
I don't cater to all these vipers dressed in empath's clothing

He was chaos, he was revelry
If you could see that I'm the one who understands you
The whole school is rolling fake dice

Me and my wild boy
And all this wild joy

He was chaos, he was revelry	If you could see that I'm the one who
Me and my wild boy	understands you
And all this wild joy	The whole school is rolling fake dice
Don't you worry your pretty little mind	Bedroom eyes like a remedy
Me and my wild boy	
And all this wild joy	Been here all along so why can't you

Now I'm running with my dress unbuttoned

Screaming, "But Daddy, I love him!
I'm having his baby"
No, I'm not, but you should see your faces
I'm telling him to floor it through the fences
No, I'm not coming to my senses
I know he's crazy but he's the one I want

I'll tell you something right now, you ain't gotta pray for me
Me and my wild boy and all of this wild joy
He was chaos, he was revelry
If all you want is gray for me
Then it's just white noise, and it's my choice

Scene 3: You're On Your Own Kid

You're On Your Own Kid

Summer went away
Still the yearning stays
I play it cool with the best of them
I wait patiently
He's gonna notice me
It's okay, we're the best of friends
Anyway

I see the great escape
So long, Daisy May
I picked the petals, he loves me not
Something different bloomed
Writing in my room
I play my songs in the parking lot
I'll run away

From sprinkler splashes to fireplace ashes
I called a taxi to take me there
I search the party of better bodies
Just to learn that my dreams aren't rare

You're on your own, kid
You always have been

From sprinkler splashes to fireplace ashes
I gave my blood, sweat, and tears for this
I hosted parties and starved my body
Like I'd be saved by a perfect kiss
The jokes weren't funny, I took the money
My friends from home don't know what to say
I looked around in a blood-soaked gown
And I saw something they can't take away
'Cause there were pages turned with the bridges burned
Everything you lose is a step you take
So make the friendship bracelets, take the moment and taste it
You've got no reason to be afraid

You're on your own, kid
Yeah, you can face this
You're on your own, kid
You always have been

I Can Do It With A Broken Heart

I can hold my breath
I've been doing it since he left
I keep finding his things in drawers
Crucial evidence, I didn't imagine the whole thing
I'm sure I can pass this test

'Cause I'm a real tough kid
I can handle my shit
They said, "Babe, you gotta fake it 'til you make it"
And I did
Lights, camera, bitch, smile
In stilettos for miles
He said he'd love me for all time
But that time was quite short

Breaking down, I hit the floor
All the pieces of me shattered
As the crowd was chanting "More!"
I was grinning like I'm winning
I was hitting my marks
'Cause I can do it with a broken heart

I'm so depressed, I act like it's my birthday
Every day
I'm so obsessed with him, but he avoids me
Like the plague
I cry a lot, but I am so productive
It's an art
You know you're good when you can even do it with a broken heart

You know you're good when you can even do it with a broken heart
You know you're good

Shake It Off

I stay out too late
Got nothing in my brain
That's what people say, mmm-mmm
That's what people say, mmm-mmm

I go on too many dates
But I can't make them stay
At least that's what people say, mmm-mmm
That's what people say, mmm-mmm

But I keep cruising
Can't stop, won't stop moving
It's like I got this music
In my mind
Saying, "It's gonna be alright."

'Cause the players gonna play, play, play, play, play

And the haters gonna hate, hate, hate, hate, hate
Baby, I'm just gonna shake, shake, shake, shake, shake
I shake it off, I shake it off
Heart-breakers gonna break, break, break, break, break
And the fakers gonna fake, fake, fake, fake, fake
Baby, I'm just gonna shake, shake, shake, shake, shake
I shake it off, I shake it off

I never miss a beat
I'm lightning on my feet
And that's what they don't see, mmm-mmm
That's what they don't see, mmm-mmm

I'm dancing on my own (dancing on my own)
I make the moves up as I go (moves up as I go)
And that's what they don't know, mmm-mmm
That's what they don't know, mmm-mmm

But I keep cruising
Can't stop, won't stop movin'
It's like I got this music
In my mind
Saying, "It's gonna be alright."

'Cause the players gonna play, play, play, play, play
And the haters gonna hate, hate, hate, hate, hate
Baby, I'm just gonna shake, shake, shake, shake, shake
I shake it off, I shake it off
Heart-breakers gonna break, break, break, break, break
And the fakers gonna fake, fake, fake, fake, fake
Baby, I'm just gonna shake, shake, shake, shake, shake
I shake it off, I shake it off

Shake it off, I shake it off,
I, I, I shake it off, I shake it off,
I, I, I shake it off, I shake it off,
I, I, I shake it off, I shake it off

Hey, hey, hey

Just think while you've been getting down and out about the liars and the dirty,
dirty cheats of the world,

You could've been getting down to this sick beat

My ex-man brought his new girlfriend

She's like "Oh, my God!" but I'm just gonna shake.

And to the fella over there with the hella good hair

Won't you come on over, baby? We can shake, shake, shake

Yeah ohhh

'Cause the players gonna play, play, play, play, play

And the haters gonna hate, hate, hate, hate, hate (haters gonna hate)

I'm just gonna shake, shake, shake, shake, shake

I shake it off, I shake it off

Heart-breakers gonna break, break, break, break, break (mmmm)

And the fakers gonna fake, fake, fake, fake, fake (and fake, and fake, and fake)

Baby, I'm just gonna shake, shake, shake, shake, shake

I shake it off, I shake it off

Shake it off, I shake it off,

I, I, I shake it off, I shake it off,

I, I, I shake it off, I shake it off

I, I, I shake it off, I shake it off

Scene 4: The Smallest Man Who Ever Lived

Tolerate It

I sit and watch you reading with your head low

I wake and watch you breathing with your eyes closed

I sit and watch you, I notice everything you do or don't do

You're so much older and wiser and I

I wait by the door like I'm just a kid

Use my best colors for your portrait

Lay the table with the fancy shit
And watch you tolerate it
If it's all in my head tell me now
Tell me I've got it wrong somehow
I know my love should be celebrated
But you tolerate it

The Smallest Man Who Ever Lived/Illicit Affairs

Was any of it true?
Gazing at me starry-eyed
In your Jehovah's Witness suit
Who the fuck was that guy?
You tried to buy some pills
From a friend of friends of mine
They just ghosted you
Now you know what it feels like

And I don't even want you back, I just
want to know
If rusting my sparkling summer was the
goal
And I don't miss what we had, but could
someone give
A message to the smallest man who
ever lived?

Make sure nobody sees you leave
Hood over your head
Keep your eyes down
Tell your friends you're out for a run
You'll be flushed when you return
Take the road less traveled by
Tell yourself you can always stop
What started in beautiful rooms
Ends with meetings in parking lots

And that's the thing about illicit affairs
And clandestine meetings
And longing stares
It's born from just one single glance

But it dies and it dies and it dies
...a million little

A million little
A million little times

While you were out building other worlds, where was I?
Where's that man who'd throw blankets over my barbed wire?
I made you my temple, my mural, my sky

Now I'm begging for footnotes in the
story of your life

Were you sent by someone

Drawing hearts in the byline

Always taking up too much space or
time

You assume I'm fine

But what would you do if I

And you'll confess why you did it

And I'll say, "Good riddance"

'Cause it wasn't sexy once it wasn't
forbidden

But what would you do if

(It wasn't forbidden)

Who wanted me dead?

Did you sleep with a gun underneath
our bed...?

While you were out building other
worlds, where was I?

Where's that man who'd throw blankets
over my barbed wire?

I made you my temple, my mural, my
sky

I would've died for your
sins

Instead I just died inside

And you deserve prison,
but you won't get time

And in plain sight you hid

But you are what you did

And I'll forget you, but I'll
never forgive

Break free and leave us in
ruins?

Took this dagger in me
and removed it

Gain the weight of you,
then lose it

Believe me I could do it

If it's all in my head tell me
now

Tell me I've got it wrong
somehow

I know my love should be
celebrated

And you wanna scream:

Don't call me kid

Don't call me baby

Look at this Godforsaken
mess that you made me

Don't call me kid

Don't call me baby

Look at this idiotic fool
that you made me

And I'll forget you, but I'll
never forgive

And I'll forget you, but I'll
never forgive

But you tolerate it

But you tolerate it

But you tolerate it

Fool that you made me

Fool that you made me

Fool that you made me

And you know damn well for you

I would ruin myself

A million little times

Tried wishing on comets

Tried dimming my shine
Tried to orbit his planet
Some star never align

The Black Dog

I am someone who, until recent events
You shared your secrets with
And your location
You forgot to turn it off
And so I watch as you walk
Into some bar called The Black Dog
And pierce new holes in my heart
You forgot to turn it off
And it hits me
I just don't understand

How you don't miss me
In The Black Dog
When someone plays 'The Starting Line' and you jump up
But she's too young to know this song
That was intertwined in the magic fabric of our dreaming
Old habits die screaming

I move through the world with the heartbroken
My longings stay unspoken
And I may never open up the way I did for you
And all of those best laid plans
You said I needed a brave man
Then proceeded to play him
Until I believed it too
And it kills me
I just don't understand

How you don't miss me
In the shower
And remember

How my rain-soaked body was shaking
Do you hate me?
Was it hazing?
For a cruel fraternity I pledged
And I still mean it
Old habits die screaming

Six weeks of breathing clean air
I still miss the smoke
Were you making fun of me with some esoteric joke?
Now I want to sell my house and set fire to all my clothes
And hire a priest to come and exorcise my demons
Even if I die screaming
And I hope you hear it

And I hope it's shitty
In The Black Dog
When someone plays The Starting Line and you jump up
But she's too young to know this song
That was intertwined in the tragic fabric of our dreaming
'Cause tail between your legs you're leaving
And I still can't believe it
'Cause old habits die screaming

ACT II

Scene 1: Mad Woman

My Tears Ricochet

We gather here
We line up weeping in a sunlit room
And if I'm on fire
You'll be made of ashes, too

Even on my worst day

Did I deserve, babe
All the hell you gave me?
'Cause I loved you
I swear I loved you
'Til my dying day

I didn't have it in myself to go with grace
And you're the hero flying around saving face
And if I'm dead to you why are you at the wake?
Cursing my name
Wishing I stayed
Look at how my tears ricochet

We gather stones
Never knowing what they'll mean
Some to throw
Some to make a diamond ring
You know I didn't want to
Have to haunt you
But what a ghostly scene
You wear the same jewels
That I gave you
As you bury me

I didn't have it in myself to go with grace
'Cause when I'd fight, you used to tell me I was brave
You had to kill me, but it killed you just the same
Cursing my name
Wishing I stayed
Look at how my tears ricochet

Cursing my name
Wishing I stayed
You turned into your worst fears
And you're tossing out blame
Drunk on this pain
Crossing out the good years
And you're cursing my name

Wishing I stayed
Look at how my tears ricochet

And I can go anywhere I want
Anywhere I want
Just not home
And you can aim for my heart, go for blood
But you would still miss me in your bones
And I still talk to you
When I'm screaming at the sky
And when you can't sleep at night
You hear my stolen lullabies
Stolen lullabies...

Look What You Made Me Do

But I got smarter, I got harder in the nick of time
Honey, I rose up from the dead, I do it all the time
I've got a list of names and yours is in red, underlined
I check it once, then I check it twice, oh!

Ooh, look what you made me do
Look what you made me do
Look what you just made me do
Look what you just made me
Ooh, look what you made me do
Look what you made me do
Look what you just made me do
Look what you just made me do

I don't trust nobody and nobody trusts me
I'll be the actress starring in your bad dreams
I don't trust nobody and nobody trusts me
I'll be the actress starring in your bad dreams
I don't trust nobody and nobody trusts me
I'll be the actress starring in your bad dreams
I don't trust nobody and nobody trusts me

I'll be the actress starring in your bad dreams

Ooh, look what you made me do
Look what you made me do
Look what you just made me do
Look what you just made me
Ooh, look what you made me do
Look what you made me do
Look what you just made me do
Look what you just made me do

Who's Afraid Of Little Old Me?

The "Who's Who" of "Who's That?"
Is poised for the attack
But my bare hands paved their paths
You don't get to tell me about "sad"

If you wanted me dead
You should've just said
Nothing makes me feel more alive

So I leap from the gallows, and I levitate down your street
Crash the party like a record scratch as I scream
"Who's afraid of little old me?"
You should be

The scandal was contained
The bullet had just grazed
At all costs, keep your good name
You don't get to tell me you feel bad

Is it a wonder I broke? Let's hear one more joke
Then we could all just laugh until I cry

So I leap from the gallows, and I levitate down your street
Crash the party like a record scratch as I scream

"Who's afraid of little old me?"

Vigilante Shit

Draw the cat eye sharp enough to kill a man
You did some bad things, but I'm the worst of them
Sometimes I wonder which one will be your last lie
They say looks can kill and I might try
I don't dress for women
I don't dress for men
Lately I've been dressing for revenge

I don't start shit, but I can tell you how it ends
Don't get sad, get even
So on the weekends
I don't dress for friends
Lately I've been dressing for revenge

She needed cold hard proof so I gave her some
She had the envelope, where you think she got it from?
Now she gets the house, gets the kids, gets the pride
Picture me thick as thieves with your ex-wife
And she looks so pretty
Driving in your Benz
Lately she's been dressing for revenge

She don't start shit, but she can tell you how it ends
Don't get sad, get even
So on the weekends
She don't dress for friends
Lately she's been dressing for revenge

Ladies always rise above
Ladies know what people want
Someone sweet and kind and fun
The lady simply had enough

Don't Blame Me

Don't blame me
Love made me crazy
If it doesn't, you ain't doing it right
Lord, save me
My drug is my baby
I'll be using for the rest of my life

I've been breaking hearts a long time
And toying with them older guys
Just playthings for me to use
Something happened for the first time
In the darkest little paradise
Shaking, pacing, I just need you

For you
I would cross the line
I would waste my time
I would lose my mind
They say, "She's gone too far this time."

Don't blame me
Love made me crazy
If it doesn't, you ain't doing it right
Lord, save me
My drug is my baby
I'll be using for the rest of my life

Don't blame me
Love made me crazy
If it doesn't, you ain't doing it right
Oh, Lord, save me
My drug is my baby
I'll be using for the rest of my life

My name is whatever you decide

And I'm just gonna call you mine
I'm insane, but I'm your baby (your baby)
Echoes (echoes) of your name inside my mind
Halo, hiding my obsession
I once was poison ivy, but now I'm your daisy

And, baby, for you
I would fall from grace
Just to touch your face
If you walk away
I'd beg you on my knees to stay

Don't blame me
Love made me crazy
If it doesn't, you ain't doing it right
Lord, save me
My drug is my baby
I'll be using for the rest of my life

Don't blame me
Love made me crazy
If it doesn't, you ain't doing it right
Oh, Lord, save me
My drug is my baby
I'll be using for the rest of my life

I get so high, oh
Every time you're—every time you're loving me
You're loving me
Trip of my life, oh
Every time you're—every time you're touching me
I get so high, oh
Every time you're—every time you're loving me
You're loving me
Trip of my life, oh
Every time you're—every time you're

Oh, Lord, save me

My drug is my baby
I'll be using for the rest of my life
(Using for the rest of my life. Oh!)

Don't blame me
Love made me crazy
If it doesn't, you ain't doing it right (doing it right, no)
Lord, save me
My drug is my baby
I'll be using for the rest of my life

Don't blame me
Love made me crazy
If it doesn't, you ain't doing it right (you ain't doing it...)
Oh, Lord, save me
My drug is my baby
I'll be using for the rest of my life (I'll be using, I'll be using)

Don't blame me
Love made me crazy
If it doesn't, you ain't doing it right (you ain't doing it...)
Oh, Lord, save me
My drug is my baby
I'll be using for the rest of my life (I'll be using, oh I'll be using)

Scene 2: Lover

Lover

We could leave the Christmas lights up 'til January
This is our place, we make the rules
And there's a dazzling haze, a mysterious way about you, dear
Have I known you twenty seconds or twenty years?

Can I go where you go?
Can we always be this close forever and ever?
And ah, take me out and take me home

You're my, my, my, my
Lover

We could let our friends crash in the living room
This is our place, we make the call
And I'm highly suspicious that everyone who sees you wants you
I've loved you three summers now, honey, but I want 'em all

Can I go where you go?
Can we always be this close forever and ever?
And ah, take me out and take me home (Forever and ever)
You're my, my, my, my
Lover

Ladies and gentlemen, will you please stand?
With every guitar string scar on my hand
I take this magnetic force of a man to be my
Lover
My heart's been borrowed and yours has been blue
All's well that ends well to end up with you
Swear to be over-dramatic and true to my
Lover

And you'll save all your dirtiest jokes for me
And at every table, I'll save you a seat
Lover

Can I go where you go?
Can we always be this close forever and ever?
And ah, take me out and take me home (Forever and ever)
You're my, my, my, my
Oh, you're my, my, my, my
Darling, you're my, my, my, my
Lover

Delicate

This ain't for the best
My reputation's never been worse, so
You must like me for me
We can't make
Any promises now, can we, babe?
But you can make me a drink

Dive bar on the East Side, where you at?
Phone lights up my nightstand in the black
Come here, you can meet me in the back
Dark jeans and your Nikes, look at you
Oh damn, never seen that color blue
Just think of the fun things we could do

'Cause I like you
This ain't for the best
My reputation's never been worse, so
You must like me for me
Yeah, I want you
We can't make
Any promises now, can we, babe?
But you can make me a drink

Is it cool that I said all that?
Is it chill that you're in my head?
'Cause I know that it's delicate (delicate)
Is it cool that I said all that?
Is it too soon to do this yet?
'Cause I know that it's delicate
Isn't it? Isn't it?

Out of The Woods

Looking at it now
It all seems so simple

Third floor on the West Side, me and
you

We were lying on your couch
I remember
You took a Polaroid of us
Then discovered (then discovered)
The rest of the world was black and
white
But we were in screaming color

Handsome, you're a mansion with a
view
Do the girls back home touch you like I
do?
Long night with your hands up in my
hair
Echoes of your footsteps on the stairs
Stay here, honey, I don't wanna share

And I remember thinking

Are we out of the woods yet?
Are we out of the woods yet?
Are we out of the woods yet?
Are we out of the woods?
Are we in the clear yet?
Are we in the clear yet?
Are we in the clear yet?
In the clear yet? Good
Are we out of the woods...

Sometimes, I wonder, when you sleep
Are you ever dreaming of me?
Sometimes, when I look into your eyes
I pretend you're mine all the damn time

Is it cool that I said all that?
Is it chill that you're in my head?
'Cause I know that it's delicate (Delicate)
Is it cool that I said all that?
Is it too soon to do this yet?
'Cause I know that it's delicate (Delicate)
Isn't it? Isn't it? Isn't it?
Isn't it?
Delicate

Remember when you hit the brakes too soon?
Twenty stitches in a hospital room
When you started cryin', baby, I did, too

But when the sun came up, I was lookin' at you
Remember when we couldn't take the heat
I walked out and said, "I'm settin' you free,"
But the monsters turned out to be just trees
When the sun came up, you were lookin' at me

Is it cool that I said all that?
Is it too soon to do this yet?
You were lookin' at me
'Cause I know that it's delicate
Oh, I remember (isn't it?)

Are we out of the woods yet?
Are we out of the woods yet?
Are we out of the woods yet?
Are we out of the woods?
Are we in the clear yet?
Are we in the clear yet?
Are we in the clear yet?
In the clear yet? Good

Are we out of the woods yet?
Are we out of the woods yet?
Are we out of the woods yet?
Are we out of the woods?
Are we in the clear yet?
Are we in the clear yet?
Are we in the clear yet?
In the clear yet? Good

August

Salt air
And the rust on your door
I never needed anything more
Whispers
Of "Are you sure?"

"Never have I ever before"

But I can see us
Lost in the memory
August slipped away into a moment in time
'Cause it was never mine
And I can see us twisted in bedsheets
August sipped away
Like a bottle of wine
'Cause you were never mine

Your back
Beneath the sun
Wishing I could write my name on it
Will you call when you're back at school?
I remember thinking I had you

But I can see us
Lost in the memory
August slipped away into a moment in time
'Cause it was never mine
And I can see us twisted in bedsheets
August sipped away
Like a bottle of wine
'Cause you were never mine

Back when we were still changing for the better
Wanting was enough
For me, it was enough
To live for the hope of it all
Cancel plans just in case you'd call
And say "Meet me behind the mall"
So much for summer love, and saying "Us"
'Cause you weren't mine to lose
Canceled my plans
Just in case you'd call?
You weren't mine to lose
Back when I was living for the hope of it all

For the hope of it all
"Meet me behind the mall"

Remember when I pulled up
And said "Get in the car"
And then canceled my plans
Just in case you'd call?
Back when I was living for the hope of it all
For the hope of it all

I can see us
Lost in the memory
August slipped away into a moment in time
August slipped away
'Cause you was never mine
Never mine

Exile

So step right out
There is no amount
Of cryin' I can do for you

All this time
We always walked a very thin line
You didn't even hear me out (You didn't even hear me out)
You never gave a warning sign (I gave so many signs)

All this time
I never learned to read your mind (Never learned to read my mind)
I couldn't turn things around (You never turned things around)
'Cause you never gave a warning sign (I gave so many signs)
So many signs
Step right out
So many signs (You didn't even see the signs)
There is no amount of crying I can do for you
So many signs (You didn't even see the signs)

All this time
I never learned to read your mind (Never learned to read my mind)
I couldn't turn things around (You never turned things around)
'Cause you never gave a warning sign (I gave so many signs)
So many signs

I think I've seen this film before
And I didn't like the ending
You're not my homeland anymore
So what am I defendin' now?
You were my town
Now I'm in exile seein' you out
I think I've seen this film before
So I'm leaving out the side door

All Too Well

I walked through the door with you, the air was cold
But something 'bout it felt like home somehow
And I left my scarf there at your sister's house
And you've still got it in your drawer even now

Oh, your sweet disposition and my wide-eyed gaze
We're singing in the car, getting lost Upstate
Autumn leaves falling down like pieces into place
And I can picture it after all these days

And I know it's long gone
And that magic's not here no more
And I might be okay
But I'm not fine at all, oh

'Cause there we are again on that little town street
You almost ran the red 'cause you were looking over at me
Wind in my hair, I was there, I remember it all too well

Photo album on the counter, your cheeks were turning red
You used to be a little kid with glasses in a twin-sized bed
And your mother's telling stories 'bout you on a tee-ball team
You tell me 'bout your past, thinking your future was me

And I know it's long gone
And there was nothing else I could do
And I forget about you long enough
To forget why I needed to

'Cause there we are again in the middle of the night
We're dancing 'round the kitchen in the refrigerator light
Down the stairs, I was there, I remember it all too well, yeah

Maybe we got lost in translation, maybe I asked for too much
But maybe this thing was a masterpiece 'til you tore it all up
Running scared, I was there, I remember it all too well

And you call me up again just to break me like a promise
So casually cruel in the name of being honest
I'm a crumpled up piece of paper lying here
'Cause I remember it all, all, all...

Wind in my hair, you were there, you remember it all
Down the stairs, you were there, you remember it all
It was rare, I was there, I remember it all too well
It was rare, I was there, I remember it all too well

Scene 3: Long Live

She felt truly alive

Marjorie

Never be so kind, you forget to be clever
Never be so clever, you forget to be kind

And if I didn't know better
I'd think you were talking to me now
If I didn't know better
I'd think you were still around
What died didn't stay dead
What died didn't stay dead
You're alive, you're alive in my head
What died didn't stay dead
What died didn't stay dead
You're alive, so alive

Never be so polite, you forget your power
Never wield such power, you forget to be polite

And if I didn't know better
I'd think you were listening to me now
If I didn't know better
I'd think you were still around
What died didn't stay dead
What died didn't stay dead
You're alive, you're alive in my head
What died didn't stay dead
What died didn't stay dead
You're alive, so alive

The autumn chill that wakes me up
You loved the amber skies so much
Long limbs and frozen swims
You'd always go past where our feet could touch
And I complained the whole way there
The car ride back and up the stairs
I should've asked you questions
I should've asked you how to be
Asked you to write it down for me
Should've kept every grocery store receipt
'Cause every scrap of you would be taken from me
Watched as you signed your name Marjorie
All your closets of backlogged dreams

And how you left them all to me

What died didn't stay dead
What died didn't stay dead
You're alive, you're alive in my head
What died didn't stay dead
What died didn't stay dead
You're alive, so alive

Evermore

And I was catching my breath
Floors of a cabin creaking under my step
And I couldn't be sure
I had a feeling so peculiar
This pain wouldn't be for
Evermore

This is such an unbelievable life
I can handle it..
I'll be okay
I've got to hang on
I'm allowed to make mistakes, right?
I'm gonna them wrong

The world is as big as you make it
Never be shameful to fly
When a chance comes, you should take it
Never be afraid to say goodbye

Long Live

I said remember this moment
In the back of my mind
The time we stood with our shaking hands
The crowds in stands went wild

We were the kings and the queens
And they read off our names
The night you danced like you knew
Our lives would never be the same

You held your head like a hero
On a history book page
It was the end of a decade
But the start of an age

Long live the walls we crashed through
How the kingdom lights shined just for me and you
I was screaming long live all the magic we made
And bring on all the pretenders
One day, we will be remembered

I said remember this feeling
I pass the pictures around
Of all the years that we stood there
On the side-lines wishing for right now

We are the kings and the queens
You traded your baseball cap for a crown
When they gave us our trophies
And we held them up for our town

And the cynics were outraged
Screaming, "This is absurd!"
'Cause for a moment a band of thieves
In ripped-up jeans got to rule the world

Long live the walls we crashed through
How the kingdom lights shined just for me and you
I was screaming long live all the magic we made
And bring on all the pretenders
One day, we will be remembered

Hold on to spinning around
Confetti falls to the ground
May these memories break our fall

Will you take a moment
Promise me this
That you'll stand by me forever
But if God forbid fate should step in

And force us into a goodbye
If you have children some day
When they point to the pictures
Please tell them my name
Tell them how the crowds went wild
Tell them how I hope they shine

Long, long live the walls we crashed through
How the kingdom lights shined just for me and you
And I was screaming long live all the magic we made
And bring on all the pretenders
I'm not afraid

Singing, long live all the mountains we moved
I had the time of my life fighting dragons with you
And long, long live that look on your face
And bring on all the pretenders
One day, we will be remembered

Medley

Blank Space

Nice to meet you, where you been?
I could show you incredible things
Magic, madness, heaven, sin
Saw you there, and I thought
"Oh my God, look at that face"

You look like my next mistake
Love's a game, wanna play?"
Ayy

New money, suit and tie
I can read you like a magazine
Ain't it funny? Rumors fly
And I know you heard about me
So hey, let's be friends
I'm dying to see how this one ends
Grab your passport and my hand
I can make the bad guys good for a weekend

So it's gonna be forever
Or it's gonna go down in flames
You can tell me when it's over, mm
If the high was worth the pain
Got a long list of ex-lovers
They'll tell you I'm insane
'Cause you know I love the players
And you love the game

'Cause we're young and we're reckless
We'll take this way too far
It'll leave you breathless, hmm
Or with a nasty scar
Got a long list of ex-lovers
They'll tell you I'm insane
But I've got a blank space, baby
And I'll write your name

Boys only want love if it's torture
Don't say I didn't, say I didn't warn ya
Boys only want love if it's torture
Don't say I didn't say, I didn't warn ya

So it's gonna be forever
Or it's gonna go down in flames

You can tell me when it's over, mm
If the high was worth the pain
Got a long list of ex-lovers
They'll tell you I'm insane
'Cause you know I love the players
And you love the game

'Cause we're young and we're reckless
We'll take this way too far
It'll leave you breathless, hmm
Or with a nasty scar
Got a long list of ex-lovers
They'll tell you I'm insane
But I've got a blank space, baby
And I'll write your name

Bad Blood

'Cause, baby, now we got bad blood
You know it used to be mad love
So take a look what you've done
'Cause, baby, now we got bad blood
Hey

I can't take it back, look where I'm at (Uh)
We was OG like D.O.C., remember that? (Remember that?)
My TLC was quite OD, ID my facts (ID my)
Now POV of you and me, similar Iraq
I don't hate you, but I hate to critique, overrate you
These beats of a dark heart, use basslines to replace you
Take time and erase you, love don't hear no more, ah!

Oh, it's so sad to think about the good times, you and I

'Cause, baby, now we got bad blood
You know it used to be mad love
So take a look what you've done

'Cause, baby, now we got bad blood
Hey
Now we got problems
And I don't think we can solve them
You made a really deep cut
And, baby, now we got bad blood
Hey

Band-Aids don't fix bullet holes
You say sorry just for show
If you live like that, you live with ghosts
You forgive, you forget, but you never let it go
Band-Aids don't fix bullet holes (Yeah)
You say sorry just for show (Uh-huh)
If you live like that, you live with ghosts, mm (Uh, uh)
If you love like that, blood runs cold

'Cause, baby, now we got bad blood
You know it used to be mad love
So take a look what you've done
'Cause, baby, now we got bad blood
Hey
Now we got problems
And I don't think we can solve them
You made a really deep cut
And, baby, now we got bad blood
Hey

I Knew You Were Trouble

Once upon a time, a few mistakes ago
I was in your sights, you got me alone
You found me, you found me, you found me
I guess you didn't care, and I guess I liked that
And when I fell hard you took a step back
Without me, without me, without me

And he's long gone when he's next to me
And I realize the blame is on me

'Cause I knew you were trouble when you walked in
So shame on me now
Flew me to places I'd never been
'Til you put me down, oh
I knew you were trouble when you walked in
So shame on me now
Flew me to places I'd never been
Now I'm lying on the cold hard ground
Oh, oh, trouble, trouble, trouble
Oh, oh, trouble, trouble, trouble

And the saddest fear comes creeping in
That you never loved me or her, or anyone, or anything, yeah

I knew you were trouble when you walked in
So shame on me now
Flew me to places I'd never been (Never been)
'Til you put me down, oh
I knew you were trouble when you walked in (Knew it right there)
So shame on me now (Knew it right there)
Flew me to places I'd never been (Ooh)
Now I'm lying on the cold hard ground
Oh, oh, trouble, trouble, trouble
Oh, oh, trouble, trouble, trouble

Cruel Summer

Fever dream high in the quiet of the night
You know that I caught it (Oh yeah, you're right, I want it)
Bad, bad boy, shiny toy with a price
You know that I bought it (Oh yeah, you're right, I want it)

Killing me slow, out the window
I'm always waiting for you to be waiting below

Devils roll the dice, angels roll their eyes
What doesn't kill me makes me want you more

And it's new, the shape of your body
It's blue, the feeling I've got
And it's ooh, whoa oh
It's a cruel summer
It's cool, that's what I tell 'em
No rules in breakable heaven
But ooh, whoa oh
It's a cruel summer
With you

I'm drunk in the back of the car
And I cried like a baby coming home from the bar (Oh)
Said, "I'm fine," but it wasn't true
I don't wanna keep secrets just to keep you
And I snuck in through the garden gate
Every night that summer just to seal my fate (Oh)
And I scream, "For whatever it's worth
I love you, ain't that the worst thing you ever heard?"
He looks up, grinning like a devil

It's new, the shape of your body
It's blue, the feeling I've got
And it's ooh, whoa oh
It's a cruel summer
It's cool, that's what I tell 'em
No rules in breakable heaven
But ooh, whoa oh
It's a cruel summer
With you

Style

Midnight
You come and pick me up, no headlights

Long drive

Could end in burning flames or paradise

Fade into view, oh, it's been a while since I have even heard from you (heard from you)

I should just tell you to leave 'cause I

Know exactly where it leads but I

Watch us go 'round and 'round each time

You got that James Dean daydream look in your eye

And I got that red lip classic thing that you like

And when we go crashing down, we come back every time

'Cause we never go out of style

We never go out of style

You got that long hair, slicked back, white t-shirt

And I got that good girl faith and a tight little skirt

And when we go crashing down, we come back every time

'Cause we never go out of style

We never go out of style

Maroon

The burgundy on my t-shirt when you splashed your wine into me

And how the blood rushed into my cheeks, so scarlet, it was

The mark they saw on my collarbone

The rust that grew between telephones

The lips I used to call home

So scarlet, it was maroon

And I wake with your memory over me

That's a real fuckin' legacy, legacy

(It was maroon)

And I wake with your memory over me

That's a real fuckin' legacy, legacy

That's a real, a real, a real, a legacy!

Just take me home

Just take me home
Yeah, just take me home
We never go out of style, oh
We never go out of style
You got that James Dean, daydream look in your eye
And I got that red lip, classic, thing that you like (that thing that you like)
And when we go crashing down, we come back every time
Cause we never go out of style
We never go out of style!
