

VOLUNTEER *with the ISO*

Want to make a BIG IMPACT?

By volunteering with the Indianapolis Symphony Orchestra, you'll help us run our concerts efficiently, support fundraising efforts, and further our mission to inspire and unite our community through music. Volunteers are essential to the ISO's success, and by volunteering, you'll have a chance to make an impact at Indiana's largest nonprofit organization.

**VOLUNTEER
TODAY!**

USHER

As an usher, you'll interact with and assist patrons both at the Hilbert Circle Theater and Kroger Symphony on the Prairie! As a patron's first point of contact, ushers are essential in providing a wonderful experience for all patrons. Ushers assist patrons to their seats and assist them with any questions they may have.

COOKIES AND COCOA

By volunteering in our Cookies and Cocoa fundraiser, you'll help sell drinks and treats to patrons at our AES Yuletide celebration! Volunteers are welcome to dress in their favorite holiday attire and may spend several hours assisting in the Hilbert Circle Theater lobby. Positions include sorting cookies, working a user-friendly POS (point of sales) system, serving cookies/hot chocolate, and keeping stock of products.

POPCORN

As part of our film series, you'll help serve popcorn concessions to movie fans in the Hilbert Circle Theater lobby! You'll spend time making and selling concessions to patrons at multiple times throughout the evening. Volunteers may spend multiple hours on their feet assisting in the lobby of the Hilbert Circle Theater. Positions include working a user-friendly POS (point of sales) system, popping and scooping popcorn, or helping to keep up stock of products.

As a volunteer, you'll also receive special perks, including a voucher to redeem for a future performance, access to private events, talks with musicians and other guests, and more!
